

St. James's Montefiore Cricket Club is a Focus Club and is registered under the England and Wales Cricket Board (ECB) Club Mark. Our coaches carry out in-school training under the Chance to Shine national scheme.

Our Young players have the opportunity with group and one-to-one coaching to develop their skills and many are members of various county and area squads. Teams are entered in local leagues and county competitions together with national knock outs.

As a progression we currently run 4 Saturday sides and 2 on Sundays so all young players can work through to whatever level they wish to achieve and enjoy.
